Customer Success Enablement

Burton.Andrew@icloud.com linkedin.com/in/DrewSBurton

There's a lot of bad training out there. For 12+ years I've built education programs with one goal: make learning clear, useful, and human. I design for adoption, not just consumption, and increasingly I build the systems themselves: learning platforms, diagnostic tools, and interactive experiences that help customers become confident, capable users of the product.

EXPERIENCE as a learning path

MODULE 04 2024-PRESENT

Senior Instructional Designer · Algolia

- Drove record Academy engagement with interactive, applied learning, technical paths and certifications. One year exceeded the previous four combined.
- Linked learning to renewals: accounts with recent Academy activity renewed at 91% versus 79%. Now being integrated into Customer Success health signals.
- Built AI tools for Customer Success and customers: a dashboard that flags broken implementations, first-pass review skills, and an open-source skills library for coding agents.
- Co-built an AI-native learning platform with search, an in-course AI tutor and intent-based paths. In internal testing.
- Launched a five-course executive path so Sales and Customer Success can engage decision-makers.

MODULE 03 2021-2024

Instructional Designer · Talkdesk

- Helped build the education function as the company scaled, setting standards for how learning is designed and delivered.
- Owned global onboarding and manager resources.
- Partnered with HR, leadership, and Sales Enablement on leadership development and sales skills.

MODULE 02 2018-2021

Instructional Designer · Kelly Services

- Built training for a process automation rollout, enabling adoption for 2,000+ global operators.
- Designed interactive e-learning and assessments tied to operational goals.

MODULE 01 2015-2017

Earlier roles

- **Administrative Co-op, Dow Chemical | 2016–2017:** Led a 2,000+ record data archival project in a regulated environment.
- **eLearning Developer, Delta College Corporate Services | 2015–2016:** Developed e-learning modules and refined training content.

Where does AI fit in your work?

DREW

Human first. AI enabled.
The more we can do with AI, the more important it is to remember who we're doing it for.
